AUSTRALIA DAY TUESDAY 26 JANUARY 2010

### ***The Royal Automobile Club of Victoria Ltd (RACV)***

RACV has grown considerably from its beginnings in 1903 as Australia's first motoring club. Today, RACV has 1.9 million members who have access to a comprehensive range of products and services. These include emergency roadside assistance, insurance, home security, and travel and tourism advice. There is also a social club with facilities in Melbourne and Healesville and resorts at Cobram, Cape Schanck, Inverloch and the Gold Coast. RACV is an important advocate for Victorian motorists, representing them on a wide range of issues including petrol pricing, road safety, road funding and tolls.

### ***The Federation of Veteran, Vintage & Classic Vehicle Clubs***

The main aims of the Federation of Veteran, Vintage and Classic Vehicle Clubs (The Federation) are to foster and promote adequate assistance for the preservation and restoration of veteran, vintage and classic vehicles, including motor cycles; to encourage membership of The Federation by clubs eligible under the constitution; to provide assistance for the study of problems related to the veteran, vintage and classic vehicle movement throughout Victoria, Australia and the world; and to co-operate, affiliate and associate with any organisation having similar objectives to those of The Federation. Calvin Coghlan, Event Director (03) 5997 8229; John and Margaret Davis, Entry Directors (03) 5422 3570

### ***Mission Statement***

To ignite a sense of national pride in Australia's unique heritage, achievements and future endeavours. The Federation Vehicle Display is part of the Australia Day celebrations in the city and is one of the largest planned assemblies of vehicles ever staged in Melbourne. The event features more than 500 veteran, vintage and classic vehicles built between the late 1890s and 1977. It brings together more than 30 motoring organisations, clubs, societies and foundations.

### ***The Federation Vehicle Display***

Join us as we travel through Australia's motoring history on Australia Day, Tuesday 26 January 2010. Vehicles will assemble at marshalling points in suburban Melbourne, where entry decals and other information will be distributed, before proceeding to the display area along Kings Domain. In order to enhance the atmosphere, it is desirable that participants dress in clothing to match the period and style of their vehicle. As parking space is limited, ONLY vehicles that are actually entered on the official entry form and received by organisers by 30 November 2009 will be accepted.

NO ENTRIES WILL BE ACCEPTED ON THE DAY.

Entries received after 30 November 2009 will not be accepted. Entry is conditional on availability of parking space.

Full details of the event will be posted to all entrants in mid January 2010. To gain entry into Kings Domain, all entrants will be required to display the official windscreen decal of the 2010 Federation Vehicle Display. Vehicle substitution is permitted on the following conditions: the vehicle must be more than 25 years old; the proposed substitution must be advised to the Entry Directors.
