To Whom It May Concern,

**Authority to Fundraise – Federation Veteran Vintage Classic Clubs**

The Peter MacCallum Cancer Foundation is proud to be the official beneficiary of the Federation Veteran Vintage Classic Clubs Fundraiser in March/April 2024.

We are grateful to Neil for her continuing support of Peter Mac and for generously giving his time, energy and hard work to ensure its success.

Peter Mac's 3,200-strong workforce of talented staff, many of whom are world-leaders in their field, are passionate about their role in helping eliminate cancer. Each year we care for over 37,000 people with cancer, and every day our researchers contribute to advances in treatment, driving better survival rates for our patients. We are grateful to all our supporters who share our passion to reduce the burden of cancer on our community.

Please note that this Authority to Fundraise is approved on the basis that this fundraiser fully adheres to all government guidelines and recommendations in relation to COVID-19.

On behalf of Peter Mac, I hope you will be able to offer your support to make this fundraising activity a huge success.
